KANSAS AUTHENTICARE CALL IN SYSTEM AGREEMENT

The Kansas AuthentiCare calls in system is a mandatory system put in place by the State of Kansas. Using the system is a condition of HCBS FMS service, failure to use it will result in disqualified hours. The system mandates that your Direct Support Worker use it to record the hours they are working for you. The system is simple to use, your Direct Support Worker will be given instructions along with their ID number. Direct Support Workers are not to overlap hours with another worker who is already clocked in.

The Customer MUST have a phone available for your Direct Support Worker to clock in and out with. If you do not have a phone your Direct Support Worker will not be allowed to work until you obtain one, unless your worker has been approved for the mobile app. This system is mandatory and it's your responsibility as the Customer to make sure a phone is available for your Direct Support Worker to use at all times.

The HCBS services are to be provided to the <u>CUSTOMER ONLY</u> and do not allow the Direct Support Worker to perform tasks for anyone else that resides in the household while they are clocked IN.

Direct Support Workers **CANNOT** be clocked in at the same time.

Direct Support Workers ARE NOT allowed to be clocked in at the same time if they work for multiple Customers.

ONLY the Customer, are responsible for adding or removing any registered numbers to your record in Kansas AuthentiCare. Workers numbers are not allowed to be registered.

If your Direct Support Worker misses a clock in <u>OR</u> clock out a claim correction form can be submitted to the Payroll Department. You will have 2 weeks to turn in a correction sheet to us for processing, we do not process any corrections sheets that are over 2 weeks old, this is mandatory based on our billing process that we follow. HOWEVER, if the worker fails to clock in and clock out for their entire shift on any given day no correction forms will be accepted, the Kansas Authenticare call in system is mandatory. Also, workers time will not be reversed if they have clocked in and out using a registered phone listed in your record, you as the Customer are responsible for all phone numbers in your record.

If the customer goes into the hospital, rehab or nursing facility, jail, out of State without you, etc., please let us know immediately. You are <u>NOT</u> allowed to clock in and out during this time this is Medicaid Fraud and will be reported to Medicaid, the Kansas Attorney General's Office, and the insurance company.

This HCBS waiver has a limit of 12 hours per day: however, you must limit your hours to only the hours authorized on the customer's Plan of Care/ISP. Hours worked in excess of what are authorized on the Plan of Care/ISP shall not be paid by ILRC as fiscal agent.

Corrections are limited to 6 per month. Any corrections in excess of this limit will result in corrective action procedures. Any customer who has worker(s) who have exceeded the monthly limit 2 or more times will not be eligible for any corrections of errors or omissions for any of their worker without possible additional fees.

By signing below, you the Direct Support Worker and the Customer agree to the above agreement.

Welcome to the Independent Living Resource Center

This handbook was made especially for those individuals who have shown an interest in ILRC services. The handbook's content has been designed to acquaint you with the ILRC and the services it can provide. If you have any questions or comments, feel free to contact any of the staff at our office at any time.

Our Philosophy: People with disabilities are entitled to the same civil rights, options and control over their lives as people without disabilities.

Who can receive services?

Any individual, who has a physical, mental or emotional impairment expressing an interest in participating in the program is eligible. This program complies with the provisions of the Rehabilitation Act of 1973 (Pub. Law 93-112), Section 504, Title VII and Title IX of the Civil Rights Act, and Titles I and III of the Americans with Disabilities Act. This means that no person shall be excluded from participation, denied any benefits or subjected to any form of discrimination because of his/her race religion, color, sex, national origin, ancestry, age, disability or political affiliation, nor does the ILRC discriminate based on sexual orientation/preference.

Participation in ILRC programs is based on your needs as determined by the initial intake process, and the program's ability to meet those needs. Requests for alternate forms of communication can be made through IL staff for any event or service conducted through ILRC. Requests are preferred three business days prior to the day of need for the service. Should you have an immediate need for accommodation please contact a staff member of ILRC to see if arrangements can be made.

Requirements: Consumers are generally 18 years of age or older. Information and referral services and technical assistance may also be offered to friends, family members and acquaintances of people with disabilities. Consumers must exhibit a commitment toward achieving maximum levels of independence.

Limitations: ILRC encourages consumers to access services that already exist in the community. When necessary, ILRC advocates for inclusion of consumers in all levels of society. The ILRC is limited in its ability to serve individuals with a current history of violent behavior that imposes an immediate danger to themselves or others. Such persons will be referred to more appropriate community based services.

The Core Services

Services are provided if the consumer desires them. Depending on the particular program or situation, a referral may mean that we will contact you about your desire for services.

Independent Living Plan

If services are recommended and the consumer agrees, an Independent Living Plan (ILP) is developed. To develop the ILP, a cooperative effort is required between you and the Independent Living Specialist working with you. If you wish to involve family members or an advocate, that is your choice. The following is a breakdown of an ILP:

Goals: Written indication of the direction you plan for yourself and services ILRC can provide.

- Staff may determine at any point to stop services. You will be notified that IL services will cease.

If, after review of the situation and consultation with the ILRC staff member supervisor, the ILRC is still convinced that the decision is the right one, the ILRC will specify to the consumer, in writing, the reason for the decision. This will be mailed within ten (10) working days. The decision will include a description for the process for continuing the appeal.
- 3. If the consumer wishes to continue the appeal, he/she shall request that the ILRC supervisor and/or the Director meet with him/her and hear the appeal in person. The consumer may represent himself/herself or have an advocate, attorney or a parent/guardian act on his/her behalf. The consumer may present relevant evidence and testimony. Following the meeting one of the following decisions will be made by the Director: the consumer's appeal is justified, the consumer's appeal is not justified, or the consumer and organization will reach a compromise. EVV Frequently Asked Questions

A Quick Guide to Understanding EVV

What is EVV?

"EVV" stands for Electronic Visit Verification. EVV is a way to record the date, time, and place your workers provide services to you.

What do they mean by "electronic?" What do they mean by "verification?"

When talking about EVV, "electronic" means using an electronic device to record the date, time and place your worker provides services to you. The most common devices are cell phones, tablets, and computers.

When talking about EVV, "verification" means using technology to prove that both you and your worker are at the same place at the same time. This verification only needs to happen when your worker starts each shift and ends each shift.

I don't want the government to know where I am? What about my privacy?

EVV systems should be designed to protect your privacy. The information about where you are should not be shared with anyone except the people who process paychecks.

Do I have to use EVV?

If you receive paid help around your home and community, you will probably need to use EVV. States are required to implement EVV or face a penalty from the federal government. Most states will have EVV ready to go by January 1, 2020.

When did this start? I've never heard of EVV before.

Some states have used EVV for a while in personal care and home care services.

Congress passed a law in 2016 requiring all states to use EVV or pay a penalty. States have been working on plans to be ready by the January 2020 deadline.

LRC may disclose your protected health information to a government authority if we reasonably believe you are a victim of abuse, neglect, or domestic violence.
